

Professional tiling. Dependable delivery.

Established in 2009, UK Ceramics & Stone Ltd supplies and installs wall and floor tiling for construction companies and housebuilders, from individual homes and apartments to large residential developments and commercial projects.

Coverage: London, Surrey, Hampshire, Sussex, Berkshire, Kent and the Home Counties.

OUR SERVICES

- Ceramic and porcelain wall and floor tiling
- Natural stone: marble, limestone and granite
- Mosaic wall and floor finishes
- Tile supply and supply-and-fix packages
- Residential and commercial tiling packages

PEOPLE AND COMPLIANCE

Fully insured. All operatives CSCS carded.

CHAS, SMAS and CQMS compliance. Current supporting documentation is available on request.

WORKING WITH YOUR SITE TEAM

Understand the scope

Drawings, finish schedules, material specifications and key dates inform the tender discussion.

Coordinate delivery

Our management team works with main contractors, site managers and other trades to align the workforce with the construction programme.

Maintain standards

Professional workforce management and skilled operatives support consistent workmanship and dependable delivery.
